Pioneering Innovation in Mobility and Outdoor Living

Restar, founded in 2015, is a visionary leader known for its innovation, sustainability, and superior performance across multiple sectors. We transform the way people experience mobility, outdoor activities, and industrial solutions with high-quality, sustainable products.

Our state-of-the-art production facilities in Kocaeli, Gebze Organized Industrial Zone, use advanced technologies like 3D modeling and robotics to ensure top-quality manufacturing. Our AR-GE center, staffed by expert engineers, develops advanced caravan and mobility solutions using durable, lightweight, fiber-reinforced composite materials.

Restar's global presence includes Europe, the US, Canada, Australia, the Middle East, and North Africa, supported by an extensive dealer network.

Our flagship brand, Hotomobil, redefines mobile living with innovative motorhomes, camper vans, and caravans, while Urban Badger offers premium outdoor and adventure gear.

Committed to quality, sustainability, and customer satisfaction, Restar leads the way in modern mobility and outdoor living solutions, impacting lifestyles worldwide.

Gladiator Pick-Up
Unlimited Freedom and Comfort

KEY FEATURES

Gladiator combines the power of 4x4 pickup trucks with Hotomobil's innovative mobile living quality, bringing the comfort of home to your outdoor adventures. It offers adventure enthusiasts an ideal living space on their own vehicles, allowing them to continue exploring throughout all four seasons without interruption.

This unique living cabin can be easily loaded onto and unloaded from any 4x4 pickup, ensuring it doesn't hinder daily urban use while transforming into an adventure companion whenever desired. With the optional add-on tent, it provides accommodation for up to 5 people.

The ability to be used independently of the vehicle and the ease of loading and unloading offer the freedom to use the cabin with a new vehicle if you decide to change your pickup truck.

Mobile Living Cabin, Easily Mountable and Dismountable ●

The cabin can be easily mounted and dismounted onto your vehicle without the need for a service.

This feature allows you to load the cabin only when needed, use it independently of the vehicle, and easily transfer the cabin to a new vehicle if you decide to change your pickup.

● Compatible with All New Generation Double-Cab Pickups

Gladiator EU Size is compatible with all new generation double-cab pickup makes and models. Refer the image on the next page to see the full list of compatible vehicles.

IMPORTANT NOTICE

Before purchasing, please compare the technical dimensions provided on our website with your existing pick-up vehicle's bed size. Ensure the cabin will be suitable for your vehicle.

Additionally, our website features a section where you can enter your vehicle's measurements and consult with our sales experts to determine the most compatible Gladiator model for you. Feel free to use this service to ensure proper compatibility and receive personalized support.

x	Not Suitable

*The main difference between the Gladiator SH and SE models is their cabin width, despite having the same length. The Gladiator SH model is produced without a bathroom, while the SE model includes bahtroom. When choosing between the SH or SE models, be sure to check the measurements of the vehicle's wheelhouse with the cabin's wheelhouse.

Before purchasing the product, please compare technically the dimensions on the website with your existing pick-up vehicle's bed size and make sure that the cabin would be suitable for the vehicle.

When calculating the standard cabin dimensions, any optional parts or add-ons in the bed of pick-up vehicle, which are added/assembled later at the factory, are not taken into account. Please take this into consideration.

Vehicle manufacturers may change cabin dimensions without notice.

CABIN FITCHECK SERVICE

scan me

With our new technical support service for Gladiator EU and Gladiator USA size models, you can now share the measurements of your vehicle's rear chassis with us. After entering the necessary information and measurements, our expert team will determine which Hotomobil cabin model fits your vehicle perfectly and inform you within 24 hours. This way, we help you make the right cabin choice quickly and reliably.

● Guaranteed Sealing with Monocoque Body

Manufactured with an antibacterial, flame-resistant Fiberglass Monocoque body. It is rustproof and, due to the absence of joints, it is completely waterproof, leak-proof, and prevents moisture buildup.

Gladiator Waterproof Test

Each cabin undergoes a waterproof test during the quality control process to ensure it meets the highest standards of water resistance.

What Does "Monocoque" Mean ?

Monocoque means that it is produced as a single piece, without any joints.

This design ensures maximum durability and prevents any potential leaks or weak points.

EXCELLENT INSULATION

ADVANCED TECHNOLOGY for SUPERIOR INSULATION

Utilizing Hotomobil's innovative technology and the best insulation methods we create a thermos effect that ensures the optimal and most comfortable temperature inside.

This high-quality insulation maintains *"the perfect indoor climate"* regardless of the weather outside, providing superior comfort for all your adventures.

● Four-Season Usability with Excellent Insulation

Adventure Awaits Year-Round with *Gladiator!*

Thanks to its 20 mm high-density polyurethane insulation, Gladiator is perfect for use throughout all four seasons.

The superior insulation creates a thermos effect, keeping the interior warm during winter snow vacations and maintaining a cool, comfortable temperature in the summer heat.

Whether you're enjoying a winter ski trip, a summer beach holiday, or exploring the great outdoors, Gladiator ensures your comfort no matter the weather.

With Gladiator, your adventures never end—experience the freedom to travel year-round without seasonal limitations.

Expandable Sleeping Capacity with Tent Option

Standard accommodation is for 3 people (2 adults and 1 small child).

With the optional add-on roof tent, the sleeping capacity can be increased to accommodate up to 5 people.

Additional Benefits

Classified as a “Mobile Living Cabin” in customs tariff and, being considered cargo, does not require registration.

Can be operated with a standard Class B driver’s license, with no need for a commercial permit.

Designed not to affect the off-road performance and maneuverability of your vehicle.

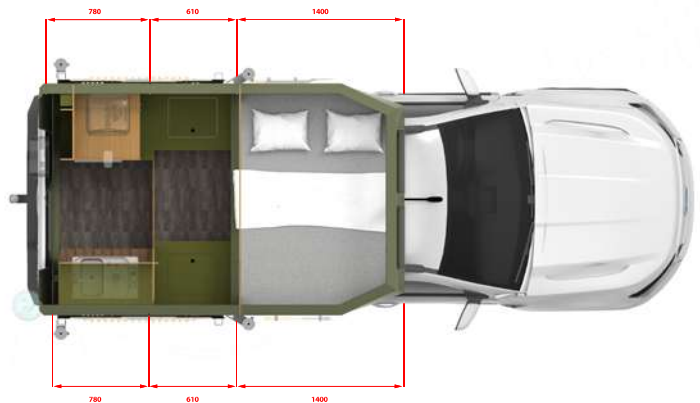

TECHNICAL SPECIFICATIONS for Gladiator S

Type	Compatible with all Double Cab Pick up Vehicles	Total Length	290 cm
Body	Monocoque and Nonflameable	Interior Height	182 cm
Bed Capacity	2 (with options up to 5 people)	Total Width	187 cm
Bed Size	180 x 135 cm 200 x 180 cm King Bed Size	Total Height	186,50 cm
Alcove	70 cm	Fresh Water Tank	55 L
		Waste Water Tank	30 L

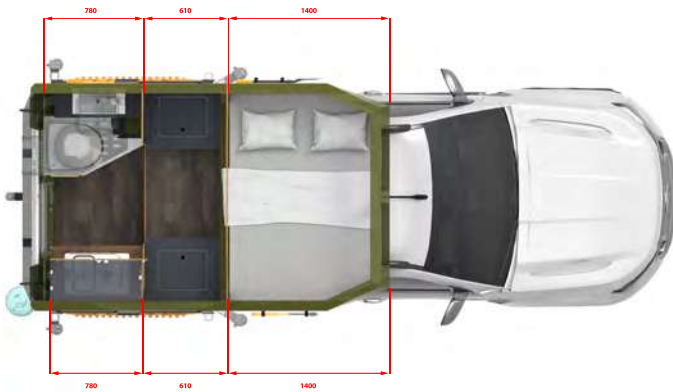

● Interior Design without Bathroom

- Portable WC Option Without Bathroom
- Expanded Seating Area
